An air of modern elegance.

Sleek, clean minimalist lines warmed up with rich wooden tones, for a modern, European look that will suit your home for years to come.

The handsome teak finish of the Skov collection is so inviting – warm wooden tones combined with slightly retro, minimalist lines that add a discreet luxury to your space. Smartly designed and solidly built, the storage options in the bed frame and minimalist drawer fronts are appealing features in this premium collection. Angled profiles on the tops of the drawers and small glide feet add a quiet elegance, and what's more, all craftsmanship comes with the Platform 10 promise of a 10-year guarantee. So indulge and enjoy.
