Sleek, sophisticated and the perfect start to reinventing your space.

Solidly built and simply styled with white washed light woodgrain, the Atlas range gives an airy and elegant feel, perfect for bringing that coastal or boho look to a bedroom.

Functionality is key with clever pieces that maximise storage and give a slim streamlined look to the room, for example the smart headboard with storage, or the underbed roll-out storage option. All drawers are mounted on full extension metal runners and are furnished internally. Handles are a sleek and contemporary metal finish. Plus all pieces come with a standard 10 year Platform 10 guarantee – can't get much better than that!
