## Elegance with a twist.

Bedroom furniture for the discerning.

Downsizing shouldn't be at the expense of expressing taste and personality. The Dusk collection features on-trend oak herringbone drawers surrounded by a matt finish slate grey. The finish has anti-fingerprint, moisture resistant, scratch resistant, and heat-resistant properties. So you can enjoy an early morning coffee or cup of tea. Or a nightcap, at the end of the evening. The sleek, handless drawers have hand grips top and bottom for ease of use. And full-extension soft close ball bearing runners for a better user experience. Made in New Zealand, with 10 year workmanship guarantee.
