YOUR STYLE OUR PASSION

Hello world! Hero is here.

Our Hero range delivers super cool style with ultra practical design, for a modern mix and match look.

Clean, bright and built to last, the Hero range balances fresh white against a natural European oak finish for a contemporary cool look, which suits kids' rooms perfectly. The sleek finish is matched by smart design – slimline metal bar handles for easy opening, a small glide foot to make transportation and cleaning easier, plus all drawer units run on full-extension metal runners for simple care and durability. With clever storage ideas and smart configurations, the Hero collection can help transform the way your space works as much as how it looks – and with a 10 year guarantee you know it's a look that'll last.

Slimline metal handles.
